SECTION 1. RESPONDENT'S BACKGROUND

**INTRODUCTION AND CONSENT**

Hello. My name is \_\_\_\_\_ and I am working with the Ministry of Health and Social Services. We are conducting a national survey about the health of women and children. We would very much appreciate your participation in this survey. I would like to ask you about your health (and the health of your children). This information will help the government to plan health services. The survey usually takes between 20 and 60 minutes to complete. Whatever information you provide will be kept strictly confidential and will not be shown to other persons.

At this time, do you want to ask me anything about the survey? May I begin the interview now?
