**SECTION 1. RESPONDENT'S BACKGROUND**

**INTRODUCTION AND CONSENT**

**INFORMED CONSENT**

Hello. My name is \_\_\_\_\_ and I am working with MINECOFIN, Department of Statistics. We are conducting a national survey about the health of women and children in Rwanda. We would very much appreciate your participation in this survey. I would like to ask you about your health (and the health of your children). This information will help the government to plan health services. The survey usually takes between 20 and 45 minutes to complete. Whatever information you provide will be kept strictly confidential and will not be shown to other persons.

Participation in this survey is voluntary and you can choose not to answer any individual question or all of the questions. However, we hope that you will participate in this survey since your views are important.

At this time, do you want to ask me anything about the survey?  
May I begin the interview now?
